Subject: Posting of Recorded Meetings on CLERB's Home Page

Good afternoon,

In an effort to increase transparency, links to the CLERB Meeting recordings from the past three months have been placed on the CLERB home page. As we move forward, we plan to link all recorded meetings under the "Board Meeting Information" tab but this is a start for now.

The home page can be accessed at: <https://www.sandiegocounty.gov/content/sdc/clerb.html>

Thanks to Tamicha for researching the concept for me, and then making it happen for us.

Respectfully,
Paul

Subject: report to CLERB on deaths in San Diego jails

Dear Sgt. Meleen,

I watched tonight's CLERB meeting and your presentation on deaths in San Diego jails. Your presentation included a number of inaccurate claims that I'd like to respond to. I hope Paul will share this email with the CLERB board (and that board members will read this email in its entirety).

* One of the slides said we looked only at 2013 and 2014. This isn't correct — we looked at deaths that occurred between 2010 and September 2019, when the Dying Behind Bars series was published.

* Re: Bureau of Justice Statistics methodology: The Sheriff's Department continues to cite [a 2005 report](#), "Suicide and Homicide in State Prisons and Local Jails," but doesn't mention that *all subsequent reports* say that using ADP is a more accurate measure: "The ADP is used as the denominator for jail mortality rates to accommodate the high turnover and daily fluctuation in local jail populations" (see page 31 [of this report](#) from 2015). Using the ADP allows for comparisons across populations. We used ADP **because** it's what the statistician who currently oversees the Deaths in Custody Reporting Program — as well as her predecessor — recommended.

* SDSO frequently points to [Colleen Kelly's analysis](#) to refute our reporting, but Kelly looked only at suicides, not at overall mortality. Union-Tribune data journalist Lauryn Schroeder repeatedly reached out to Colleen Kelly to ask her to explain her methodology because what she describes in her report didn't pencil out — Kelly did not cite her data sources. She never responded to Lauryn's questions. Kelly's analysis found that a person was **less likely** to commit suicide in jail than in the general population. This just isn't accurate and is a huge red flag. Jail *increases* a person's suicide risk.

* Contrary to SDSO's claim, we **did** look at deaths in city jails as well as county jails. Very, very few people die in city jails (the chart [on this page](#) shows how few people die in city jails annually). We ran these numbers and they didn't change our findings. We shared this data with the sheriff's department, so it's disappointing to see SDSO continue to make this claim.

* In March 2019, Jeff McDonald and I told SDSO that we were working on Dying Behind Bars. The series was published in late September. *Not once* did SDSO bring up AB 109 / realignment as a factor in jail deaths. Regardless, there were very few AB 109 folks who should have been in prison but instead died in San Diego jails. Removing them from our totals did not change our findings.

* We never corrected our reporting to say that the mortality rate was 12.8 per 100,000. I'm perplexed as to where this claim came from. 12.8 is the average number of people who died annually in SD jails during the period of time we looked at.

* There are many problems with the Redding Recorder article. For starters, you can't compare a tiny county jail with a large urban jail system, which is what the story does. This is why we limited our analysis to similar sized jails (yes, we included L.A.; I explain why below). But, here's what's important to point out: up until 2011, San Diego jails booked a disproportionately large number of people each month (around 11,000 to 12,000). This is why San Diego looks good in the Redding Recorder analysis. But in November 2011, the number of people SDSO was booking dropped significantly, to roughly 6,500-7,500 a month and stayed there. You'd expect deaths to decrease, right? That's not what happened — deaths increased significantly and consistently. If SDSO is going to cite total bookings, then that raises the question of why deaths didn't decline when booking numbers declined.

* You mention that we needed to look at policies. In 2013, the L.A. County Sheriff's Department made a concerted effort to reduce suicides. There were 10 suicides in L.A. County jails in 2013, five in 2014, one in 2015 and two in 2016. In San Diego County, there were five suicides in 2013, six in 2014, six in 2015 and five in 2016. (In other words, between 2013 and 2016, 18 people died by suicide in L.A. county jails while 22 people died by suicide in San Diego jails.) The L.A. county jail system is three times the size of San Diego's, which is why we felt it was important to include this comparison.

* Sixteen people died in San Diego jails last year. This year, total bookings and the ADP have dropped significantly, Yet, so far this year, 13 people have died, eight in the last month alone. SDSO is disputing one of these deaths, Mark Armendo, who was found unresponsive in the Vista jail in late June. He was released from custody on July 6 while in a coma. He never regained consciousness and died in August. Even if we don't count Mr. Armendo, 12 deaths over 11 months is significant.

* San Diego jails' mortality rate was just one part of [our three-day series](#). The majority of our reporting looked at individuals deaths and asked whether any of them were preventable, especially deaths of mentally ill folks. We also looked at lawsuits in that series and in subsequent stories. Since 2013, there have been at least 20 lawsuits filed due to serious injury or death in a San Diego jail.

It's disappointing that SDSO continues to attack our reporting instead of sitting down with Jeff and I to discuss anything in dispute.

Citizens' Law Enforcement Review Board (CLERB)

Paul R. Parker III
CLERB Executive Officer

1

County Charter Section 606

- ▶ The Board of Supervisors ("Board"), by ordinance, shall establish the duties of the CLERB and its duties may include:
 - ▶ Receive, review and investigate citizen complaints which charge **peace officers or custodial officers employed by the Sheriff's Department or the Probation Department** with:
 - excessive force,
 - discrimination or sexual harassment,
 - improper discharge of firearms,
 - illegal search or seizure,
 - false arrest,
 - false reporting,
 - criminal conduct, or
 - misconduct, defined as
 - An alleged violation of any general, standing, or special orders or guidelines;
 - An alleged violation of any state or federal law; or
 - Any act otherwise evidencing improper or unbecoming conduct.

2

County Charter Section 606

- ▶ The Board, by ordinance, shall establish the duties of the CLERB and its duties may include:
 - Review and investigate the death of any individual arising out of or in connection with actions of peace officers or custodial officers (*with or without a signed complaint*)
 - Prepare reports...on the results of any investigations conducted by CLERB in respect to the activities of peace officers and custodial officers, including recommendations relating to...any trends in regard to employees involved in citizen complaints.
 - Prepare an annual report...summarizing the activities and recommendations of the CLERB, including the tracking and identification of trends in respect to all complaints received and investigated during the reporting period.
 - Review and make recommendations on policies and procedures of the Sheriff and the Probation Officer.
 - Perform such other duties as the Board, by ordinance, may assign to the CLERB.

3

2020 Board of Supervisors Amended County Ordinance

- ▶ On June 23, 2020, the Board approved a series of actions to increase independence and strengthen oversight of CLERB.
 - To further its independence and to eliminate any appearance of impropriety, CLERB was re-assigned from the County's Public Safety Group, the home of several public safety agencies, to include the Sheriff's Department and Probation Department, to the County's Finance and General Government Group.
 - Directed CLERB to revise its board member nomination and selection process to one that is more transparent to the public and incorporates community input as part of the process.
 - Directed an evaluation of CLERB's workload and responsibilities, which resulted in the addition of a newly created Supervising Special Investigator position and two new Special Investigator positions, doubling its investigative workforce from three to six.

4

2020 Board of Supervisors Amended County Ordinance

- ▶ As the Board may direct CLERB to undertake additional duties by ordinance, it amended Section 340.9 of the Code of Administrative Ordinances to reflect additions to CLERB's oversight role, including the authority to investigate the following without the need for a citizen complaint (effective December 17, 2020):
 - ▶ incidents involving the discharge of a firearm by peace officers or custodial officers employed by the County Sheriff's Department or the Probation Department;
 - ▶ the use of force by peace officers or custodial officers employed by the County Sheriff's Department or the Probation Department resulting in great bodily injury; and
 - ▶ the use of force by peace officers or custodial officers employed by the County Sheriff's Department or the Probation Department at protests or other events protected by the First Amendment.

5

- ▶ Caloca v. County of San Diego (2002)

6

Litigation impacting CLERB

- ▶ **San Diego Police Officers Association v. City of San Diego Civil Service Commission (2002)**
- ▶ **Davis v. City of San Diego (2003)**
- ▶ **The Copley Press, Inc. v. The Superior Court of San Diego County (2006)**

7

The Complaint Investigation Process

- ▶ **All investigated complaints are filed and signed under penalty of perjury**
- ▶ **Subpoena power**
- ▶ **Complainants and witnesses are interviewed, if available**
- ▶ **Evidence, mostly documentary, is received from the complainant, the responding department, and other sources**
- ▶ **Incident scenes are visited, as appropriate**

8

The Complaint Investigation Process

- ▶ Peace officers are questioned in writing or in face-to-face interviews, as needed
- ▶ Applicable Department policies, relevant codes, and case law are researched
- ▶ If appropriate, further legal research is conducted by County counsel or contract attorney
- ▶ Photographs are taken and diagrams are created, when needed

9

The Complaint Investigation Process

- ▶ Detailed investigative reports are prepared for the CLERB with Recommended Findings and the Rationale used to determine the Finding
- ▶ The case is placed on calendar for the next CLERB meeting
- ▶ CLERB members review each Investigative Report
 - Where potential questions arise, the assigned investigator should be contacted in advance of the meeting date to attempt to clarify or resolve questions

10

How does Staff Arrive at the Recommended Findings?

- ▶ Established by a ***preponderance of the evidence***, the following definitions apply:
 - **Preponderance of the evidence:** This preponderance is based on the more convincing evidence and its probable truth or accuracy, and not on the amount of evidence.
 - Preponderance of the evidence is required in a civil case and is contrasted with "beyond a reasonable doubt," which is the more severe test of evidence required to convict in a criminal trial.

11

Findings

- ▶ **Unfounded:** The investigation shows that the alleged act or conduct did not occur
- ▶ **Action Justified:** The investigation shows that the alleged act or conduct did occur but was lawful, justified and proper.
- ▶ **Not Sustained:** The investigation fails to support the allegation, but the allegation cannot be shown as false. There is insufficient evidence to either prove or disprove the allegation.

12

Findings

- ▶ **Sustained:** The investigation supports the allegation and the act or conduct was not justified (or was not legal or proper).
- ▶ **Summary Dismissal** is appropriate when:
 - The CLERB does not have jurisdiction over the subject matter of the Complaint;
 - The CLERB does not have jurisdiction because the Complaint was not timely filed; or
 - The Complaint is so clearly without merit that no reasonable person could sustain a finding based on the facts.

13

CLERB Meetings

- ▶ It is the CLERB's responsibility to judge every case on the evidence, rules and law that apply to it alone
- ▶ Personal experiences or individual beliefs generally should have no bearing on how any case is decided
- ▶ Public statements by CLERB members on factors not in evidence can send the wrong message to the public that CLERB members are biased

Civilian Oversight of Law Enforcement

- ▶ CLERB has evolved into a very effective model of civilian oversight and is a positive example for others around the country.
- ▶ We all have a stake in and a responsibility to maintain the high standards that have been established. This might require more time for some, but the results of CLERB Staff and CLERB Member labors are well worth the effort.

CITIZENS' LAW ENFORCEMENT REVIEW BOARD
RULES AND REGULATIONS

Adopted by the CLERB on March 9, 1992
Last Revision December 17, 2020

SECTION 1: MISSION AND PURPOSE

1.1 **Mission.** CLERB's mission is to increase public confidence in and accountability of peace officers employed by the Sheriff's Department or the Probation Department by conducting independent, thorough, timely, and impartial reviews of Complaints of misconduct and deaths arising out of or in connection with actions of peace officers.

1.2 **Purpose.** The purpose of these Rules and Regulations is to facilitate the operation of the Citizens' Law Enforcement Review Board (hereinafter referred to as CLERB), including the review of Complaints filed against peace officers or custodial officers employed by the County of San Diego in the Sheriff's Department or the Probation Department, as authorized by San Diego County Ordinance #7880, as amended (Article XVIII, Section 340-340.15 of the San Diego County Code of Administrative Ordinances). Complaints subject to review are those that allege improper or illegal conduct of peace officers or custodial officers arising out of the performance of their duties or the exercise of peace officer authority, within the jurisdiction of CLERB, as more fully described in Section 4 below.

CLERB shall receive, review, investigate and report on Complaints in accordance with these Rules and Regulations. - (b) The content of the Investigative Report to the extent permitted by applicable law. A notification that all additional statements, records, reports, exhibits, and other items contained in the file will be available on request, except for any evidence that cannot be so made available because its disclosure is prohibited by law.
- (c) Written notice that the parties may consult an attorney if desired, and that an attorney or other representative may represent him/her at any hearing, but that an attorney or other representative is not mandatory.
- (d) A copy of or a link to these Rules and Regulations.

SECTION 10: DETERMINING WHEN AN INVESTIGATIVE HEARING IS NECESSARY

10.1 Requests for Investigative Hearing. The Complainant, Subject Officer, Executive Officer, or a member of CLERB may request an Investigative Hearing (as set forth in Sections 12-14) for some or all of the allegations of a Case.

10.2 When an Investigative Hearing is Necessary. An Investigative Hearing will be conducted, in accordance with the procedures for such hearings set forth in Sections 11-15, when CLERB determines that such a hearing may facilitate the fact-finding process.

An Investigative Hearing may be deemed to facilitate the fact-finding process when:

- (a) There has been an undue lapse of time since the occurrence of the incident that is the subject of the Complaint; or
- (b) There are additional witnesses, evidence, or information that contradicts or supplements, or is not disclosed by the Investigative Report; or
- (c) There is reason to question the conclusion of the Investigative Report; or
- (d) An Investigative Hearing would advance public confidence in the Complaint process; or
- (e) An appearance in person by the parties would facilitate the fact-finding process.

10.3 Scope of the Investigative Hearing. The scope of an Investigative Hearing may vary. It may consist of a single, narrowly drawn issue; of multiple issues; or of the entire Complaint. The scope should be determined by CLERB when authorizing an Investigative Hearing, and all interested parties to the Complaint shall be informed of any limitation in scope when notified of the Investigative Hearing.

SECTION 11: NO CONTEST RESPONSE

A Subject Officer may enter a written response of “no contest” at any time prior to an Investigative Hearing. A response of “no contest” indicates that the Subject Officer accepts the allegations of the Complaint as substantially true in fact and interpretation. The Subject Officer shall be bound by the terms of the “no contest” response in any further consideration of the Complaint by CLERB.

SECTION 12: INVESTIGATIVE HEARING

12.1 Composition of Investigative Hearing. Except as otherwise provided in this Section 12.1, an Investigative Hearing will be performed by an Investigative Hearing Panel of CLERB, which shall consist of three members of CLERB, selected pursuant to Section 12.2 below, with one member designated as the Presiding Member. In cases involving the death of a person, and in such other cases as CLERB shall decide, CLERB will sit as a Board of the Whole with a minimum of six Board members present.

12.2 Selection of Three-Person Investigative Hearing Panels.

- (a) Selection of three-person Investigative Hearing Panels under this section shall be made by rotation among CLERB members, as appointed by the Chair, using any basis (including lottery) that balances the workload among CLERB members. A CLERB member may request that he or she be temporarily excused to equalize caseload, avoid conflicts of interest, or for other good cause. In the event a CLERB member is so excused, another CLERB member shall be reassigned by the Chair.
- (b) If an Investigative Hearing Panel is unable to meet to convene an Investigative Hearing on a scheduled date due to the unavailability for any reason of one or more of its members, or if an Investigative Hearing Panel agrees to reschedule an Investigative Hearing due to the unavailability for any reason of the Complainant(s) or Subject Officer(s) or legal counsel for either, the case or cases assigned to such Investigative Hearing Panel may be re-assigned to another Investigative Hearing Panel. However once an Investigative Hearing of a case has been convened by an Investigative Hearing Panel, the same Investigative Hearing Panel shall consider the case to final disposition.

12.3 Challenges of CLERB Members.

- (a) Challenge for Conflict of Interest or Bias. A CLERB member sitting on an Investigative Hearing Panel shall consider all Complaints in a fair and impartial manner. A CLERB member who has a personal bias or prejudice, or the appearance thereof, in the outcome of a Complaint shall not sit on the Investigative Hearing Panel hearing that Complaint. Personal interest in the outcome of a Complaint does not include holding or manifesting any political or social attitude or belief, where such belief or attitude does not preclude objective consideration of a case on its merits. Examples of personal bias include, but are not limited to:
1. Familial relationship or close friendship with parties material to the inquiry;
 2. Witnessing events material to the inquiry from a non-neutral perspective;
 3. Being a party to the inquiry;
 4. Having a financial interest in the outcome of the inquiry; and/or
 5. Holding a bias against a particular party that is sufficient to impair the CLERB member's impartiality.
- (b) Procedure for Challenges. Within five calendar days after the date on which CLERB furnishes notice of an Investigative Hearing, including the names of the CLERB members constituting that Investigative Hearing Panel, any party to the Complaint may file a written challenge for cause to any CLERB member hearing the Complaint. Challenges for conflict of interest or bias must substantiate the challenge in terms of the standard set forth in Section 12.3 (a) above.
- When a challenge for cause is filed, the Chair shall contact the challenged CLERB member as soon as possible, and if the CLERB member agrees that the challenge is for good cause, or otherwise agrees, the Chair shall ask another CLERB member to serve. If the challenged CLERB member does not agree that the challenge is for good cause, the Chair may poll the other two members of the Investigative Hearing Panel, and if both agree that the challenge is for good cause, the Chair shall so notify the challenged CLERB member and ask another to serve. If a challenge to a CLERB member is rejected and the member serves, the written challenge and the CLERB member written response shall be incorporated in the investigative case file as part of the record of the Complaint.
- (c) Replacement of Challenged CLERB Member. Any CLERB member removed, or who removes him/her self, from the Investigative Hearing Panel due to a challenge for cause shall be replaced by the Chair with another CLERB member.

12.4 Public Comments. CLERB members shall avoid public comment on the substance of particular pending complaints and investigations and shall preserve the confidentiality of closed session meetings in accordance with applicable law.

SECTION 13: INVESTIGATIVE HEARING PROCEDURES

13.1 Schedule of Investigative Hearings. Investigative Hearings may be scheduled by the Chair for any regular or special meeting of CLERB; or, as to Investigative Hearings before an Investigative Hearing Panel, by the Presiding Member for any other appropriate time.

13.2 Notice Requirements. Ten days' notice of an Investigative Hearing shall be given to the Complainant, each Subject Officer, and any other person whose attendance CLERB deems appropriate. The notice shall state the date, time, and place of the Investigative Hearing, and the names of the Investigative Hearing Panel members.

13.3 Hearings, Open or Closed to the Public. The nature of Investigative Hearings, open or closed, will be in compliance with legal standards existing at the time of the Investigative Hearing, unless the Subject Officer requests an open Investigative Hearing.

13.4 Authority to Compel Appearance. The authority of CLERB's subpoena may be used to compel the appearance of witnesses, including Subject Officers, and/or the production of documents. Subpoenas may be requested through the Chair of CLERB.

13.5 Conduct of the Investigative Hearing. Investigative Hearings should be informal, and should be conducted in the following manner unless the Chair or Presiding Member orders otherwise:

- (a) The Presiding Member or Chair, as applicable, will conduct the Investigative Hearing subject to being overruled by a majority of the Investigative Hearing Panel or CLERB, as applicable. Members of the Investigative Hearing Panel or CLERB, as applicable, shall be primarily responsible for obtaining testimony. One Investigative Hearing Panel member or CLERB member may be assigned by the Presiding Member or the Chair to perform the initial questioning of witnesses during an Investigative Hearing convened for a Case. Additional questions may be asked by any Investigative Hearing Panel member or CLERB member, or by a Subject Officer or his or her representative, or by an assigned CLERB staff member.
- (b) At the discretion of CLERB or the Investigative Hearing Panel, opening statement(s) may be made on behalf of the Complainant and the Subject Officer(s) involved.
- (c) The Investigative Hearing will generally then proceed pursuant to the provisions detailed in Section 14.1. In the event that the Subject Officer is compelled to cooperate in an Investigative Hearing, departmental personnel shall provide the Subject Officer with the "Lybarger warning" when required under the appropriate circumstances. After the Investigative Hearing Panel has taken all relevant evidence, each party may, at the discretion of the Presiding Member or the Chair, be given an opportunity to make a closing statement.
- (d) At the conclusion of any witness testimony, either the Complainant or the Subject Officer may request that CLERB or the Investigative Hearing Panel cover any additional areas of inquiry they feel need to be covered. The Chair or Presiding Member shall determine whether any further questions will be asked.
- (e) Unless otherwise ordered by the Chair or Presiding Member, the entire Investigative Hearing on a given Complaint should be conducted on one occasion. However, if CLERB or the Investigative Hearing Panel determines that additional evidence is necessary to reach its findings, it will continue the Investigative Hearing to a future date unless the parties agree to allow CLERB or the Investigative Hearing Panel to receive such material in writing without reconvening.

13.6 Deliberation. After obtaining evidence, CLERB or the Investigative Hearing Panel will deliberate in closed session. CLERB or the Investigative Hearing Panel shall not consider any information not received as part of the Investigative Hearing. CLERB or the Investigative Hearing Panel may reconvene in the presence of all parties to ask further questions, and each party shall have the opportunity to respond to any such questions.

13.7 Finding and Report by Three-Member Investigative Hearing Panel. At the conclusion of an Investigative Hearing before an Investigative Hearing Panel, the Panel members shall, by majority vote, adopt a recommended Finding with respect to the Complaint. The Investigative Hearing Panel shall not consider evidence or information obtained outside of the Investigative Hearing. The Investigative Hearing Panel shall then prepare a written report summarizing the evidence, the recommended Finding, the reasons for the recommended Finding, any dissenting opinion, and any other information that may be useful to the full CLERB in its consideration of the case. The Investigative Hearing Panel shall take into account any rule, regulation, or policy of the Subject Officer's employing department brought to its attention by the Subject Officer or representative that the Investigative Hearing Panel determines to be pertinent to the Complaint being investigated.

13.8 Submission to Full CLERB. The written Investigative Hearing Panel report referred to in Section 13.7 shall be forwarded to all members of CLERB, and the matter calendared as soon as possible at a scheduled regular or special CLERB meeting.

A copy of the written Investigative Hearing Panel report referred to in Section 13.7, above, shall be forwarded to the extent permitted by applicable law to each Complainant and Subject Officer, together with a notice of the time and place of the CLERB meeting at which the Complaint will be considered. All Complainants and Subject Officers shall be notified that CLERB may accept written objections to the Investigative Hearing Panel report within 10 days of the date of the report.

13.9 Consideration by CLERB. CLERB shall consider the report of the Investigative Hearing Panel and any other information that may be brought to its attention at the meeting. Thereafter, CLERB may:

- (a) Vote to conclude the matter without further investigation, review, or hearings;
- (b) Request further information or review by staff, by the Investigative Hearing Panel, or through other appropriate means;
- (c) Vote to conduct further proceedings on the matter before the entire CLERB;
- (d) Take such other or additional action as it deems necessary and appropriate, such as the making of recommendations regarding policy or rule changes, referral to appropriate agencies, or other appropriate action;
- (e) Accept the Investigative Hearing Panel report as the Final Report of CLERB.

13.10 Investigative Hearings before entire CLERB. In cases that are initially heard before the entire CLERB, the interim steps required when a case is heard before a three-member Investigative Hearing Panel are not applicable.

13.11 Record of Investigative Hearing. All Investigative Hearings shall be recorded by CLERB. At the option of the Investigative Hearing Panel Presiding Member, a stenographic record may be kept, and, if kept, shall be available upon payment of the cost of duplicating or transcribing the same, to a Complainant or Subject Officer requesting a transcript, to the extent permitted by applicable law. Any record of the Investigative Hearing shall become part of the CLERB file.

SECTION 14: EVIDENCE FOR INVESTIGATIVE HEARINGS

14.1 What Evidence May be Considered. The Investigative Hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might make improper the admission of such evidence over objection in civil actions.

Hearsay evidence may be used for the purpose of supplementing or explaining other evidence.

Evidence shall be taken in accordance with the following provisions:

- (a) Each party and the Investigative Hearing Panel shall have the following rights:
 - 1. to call and examine witnesses;
 - 2. to introduce exhibits;
 - 3. to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination;
 - 4. to impeach any witness regardless of which party first called the witness to testify; and
 - 5. to rebut the evidence against the party.

If the Subject Officer does not testify in his/her own behalf he/she may be called and examined as if under cross-examination.

- (b) Oral evidence shall be taken only under oath or affirmation.
- (c) Upon the request of either party, a CLERB member, or the Investigative Hearing Panel, witnesses may be excluded from the Investigative Hearing until they are called to testify.

- (d) Irrelevant and unduly repetitious evidence shall be excluded.
- (e) The rules governing privileged communications shall be effective to the extent that they are otherwise required by constitution or statute to be recognized at hearings before CLERB or the Investigative Hearing Panel.

14.2 Representatives. Each party and any witness shall have the right to have a representative of his or her choice present at all times during his or her own fact-finding interviews or Investigative Hearings conducted by or on behalf of CLERB. The representative shall not be a witness or a person subject to the same investigation.

14.3 Interpreters. The Chair shall have discretionary authority to provisionally qualify and utilize interpreters. Each party in need of an interpreter shall give notice to the Chair within seven days of receipt of the notice of hearing so that appropriate arrangements can be made.

14.4 Authority to Compel Appearance. The authority of a CLERB subpoena may be used to compel the production of documents and/or the appearance of witnesses, including the Subject Officer.

14.5 Failure to Appear. When either the Complainant or the Subject Officer fails to appear, the Investigative Hearing Panel may receive statements from those persons present and relying on the evidence received, continue with the Investigative Hearing.

14.6 Confidentiality of CLERB Records. CLERB shall not disclose to the general public any reports, statements, files, records, documents, tapes, or other items whose confidentiality is protected by law. This confidentiality may be waived in accordance with applicable law, statute, ordinance, or legal proceedings. Moreover, evidence contained in CLERB's investigative file may be disclosed to the Complainant and the Subject Officer, but only to the extent and in the manner authorized by these Rules and Regulations and by then existing law.

14.7 Discovery.

- (a) By CLERB. CLERB, through its staff and agents, may utilize whatever formal or informal methods for the discovery of evidence as are authorized and available under federal, state, or local law.
- (b) By the Parties. Prior to an Investigative Hearing, each Subject Officer may have access to or receive copies of evidence contained in CLERB's investigative file for the Complaint, except for any evidence that cannot be made available because its disclosure is prohibited by law. Parties seeking such discovery must give at least 48 hours advance notice to CLERB, either in writing or by telephone.

14.8 Standard of Proof. No finding with respect to an allegation of a Complaint shall be sustained unless it is proven by a Preponderance of the Evidence presented at the Investigative Hearing(s) or otherwise contained in the investigative record.

SECTION 15: SUMMARY DISMISSAL

After reviewing the Investigative Report and records, CLERB may summarily dismiss a Case, ("Summary Dismissal") upon recommendation of the Executive Officer, its own motion, or that of the Subject Officer. Parties to the Complaint shall be notified of a proposed Summary Dismissal, and may appear to argue for or against Summary Dismissal. Summary Dismissal may be appropriate in the following circumstances:

- (a) CLERB does not have jurisdiction over the subject matter of the Complaint.
- (b) CLERB does not have jurisdiction because the Complaint was not timely filed.
- (c) Lack of cooperation by the Complainant such that CLERB is unable to continue its investigation, such as a failure by the Complainant to respond to repeated inquiries when such response is necessary to the ongoing investigation.

- (d) The Subject Officer is no longer employed by the Sheriff or Probation Departments.
- (e) The Complaint is so clearly without merit that no reasonable person could sustain a finding based on the facts.
- (f) Case investigation is not completed within one year, not including applicable tolling exemptions; Staff shall submit the Case to CLERB for Summary Dismissal.

SECTION 16: CLERB FINDINGS AND RECOMMENDATIONS

16.1 Final Report by CLERB. At the conclusion of a matter before the entire CLERB, CLERB shall deliberate and adopt a final report ("Final Report") with respect to the Case or matter under consideration. This report shall include Findings as to the facts relating to any Case, as well as an overall conclusion as to any Case as specified in Section 16.2 below.

Dissenting CLERB members may set forth reasons for their dissent in writing and provide the written dissent to the Executive Officer within five days of adoption of the Final Report, and any such dissent(s) shall be included in the Final Report.

16.2 Conclusions in Final Report. The Final Report of CLERB shall contain an overall finding ("Finding") as to each allegation of the Case in the following manner:

- (a) If the investigation clearly established that the allegation is not true, the Finding shall be "Unfounded."
- (b) If the investigation failed to disclose sufficient evidence to clearly prove or disprove the allegation, the Finding shall be "Not Sustained."
- (c) If the investigation shows the alleged act did occur but was lawful, justified, and proper, the Finding shall be "Action Justified."
- (d) If the investigation disclosed evidence sufficient to prove the allegation by a Preponderance of the Evidence, the Finding shall be "Sustained."
- (e) If CLERB lacks jurisdiction or the allegation clearly lacks merit, the Finding shall be "Summary Dismissal."

A Finding of "Sustained" should include an explanation of the finding of improper conduct and may include recommendations relating to:

- (a) the imposition of discipline, including the facts relied on in making such recommendations;
- (b) any trends in regard to employees involved in Complaints.

16.3 Consideration of Subject Officer's Disciplinary History. Only after a finding of "Sustained" with respect to an allegation of improper or illegal conduct by a Subject Officer, should CLERB consider the Subject Officer's disciplinary history in determining the appropriate recommendation for discipline. The details of the Subject Officer's disciplinary history will be held confidential by CLERB and will not be made a part of the Final Report.

16.4 Transmittal of Final Report. The Final Report adopted by CLERB shall be forwarded to the Board of Supervisors, the Sheriff or Chief Probation Officer, the Complainant, and each Subject Officer, to the extent permitted by applicable law.

16.5 Reconsideration of Final Report. Upon request by the Complainant, Subject Officer, or his or her representatives, the Final Report may be re-opened for reconsideration by CLERB provided that:

- (a) previously unknown relevant evidence is discovered that was not available to CLERB before it issued its Final Report, and

- (b) there is a reasonable likelihood the new evidence will alter the Findings and recommendations contained in the Final Report.

A Final Report may also be re-opened for reconsideration by CLERB at the request of the Board of Supervisors or upon initiative of CLERB when such reconsideration is in the public interest.

Every party to the proceeding or their representative(s) shall be notified of any request or proposal for reconsideration and shall be given the opportunity to respond to the CLERB before the request or proposal is acted upon.

SECTION 17: PROCEDURES WHEN NO COMPLAINT IS REQUIRED

In cases not requiring a Complaint as set forth in Section 4.3 above, the review, investigation, including the Investigative Hearing procedures for such cases, and adoption of a Final Report shall otherwise proceed in the same manner, pursuant to these Rules and Regulations, as in cases initiated by a Complaint.

SECTION 18: DELEGATION OF FUNCTIONS TO EXECUTIVE OFFICER

CLERB may, in its discretion, delegate to the Executive Officer certain of the procedural and administrative functions or duties assigned to CLERB by these Rules and Regulations. CLERB shall not, however, delegate to the Executive Officer any functions, duties or responsibilities that are required by the Ordinance to be performed by CLERB.

SECTION 19: AMENDMENTS TO RULES AND REGULATIONS

These Rules and Regulations are subject to approval by the Board of Supervisors of the County of San Diego, as required by the Ordinance. Once approved, these Rules and Regulations may only be amended by a majority vote of CLERB, and any such amendments are subject to approval by the Board of Supervisors. These Rules and Regulations will be subject to review by CLERB at least every four years from the last revision date.
